

2025 GJCF PRE-ECTRIMS NMOSD PRACTICUM

The GJCF Pre-ECTRIMS NMOSD Practicum offers real-world education to facilitate application of advances in NMOSD clinical management and patient care. The Practicum aims to be highly interactive and in-depth regarding each topic using a tool-driven strategy for real-world & high-yield content. Topics for 2025 will include Adjudication & Rescue Therapy in Relapse, Transition to Approved Therapeutics, and Screening, Mitigating & Monitoring Adverse Events.

Date: Tuesday, September 23

Time: 4:15 PM – 8:00 PM

Location: Hilton Diagonal Mar
